

# ASSOCIATION OF CHILDREN'S MUSEUMS

New York Hall of Science members with a Family Premium or Family Explorer membership receive 50% off general admission for up to six (6) people, including the cardholder, when visiting the nearly 200 children's museums that are part of the Association of Children's Museums (ACM) Reciprocal Network.

## ACM RECIPROCAL NETWORK

The ACM Reciprocal Network is a voluntary network of ACM member museums that reciprocate discounted admission to one another's members who hold premium memberships. Present your valid museum membership card with the Reciprocal Network logo at any of the museums listed in this brochure. Cardholder must be present and ID may be required. It's always a good idea to call a museum before visiting to check admission policies.
